# *How to use the Book*

The goal of this book is to enable you to understand "Organon of Medicine" with " Philosophy" "Logic" and "Psychology" and thereafter enables you to use Homoeopathic Medicines safely and effectively in your practice singly and in minimum dose. This book aims to right this error by mimicking the method that a Hahnemannian Homoeopath uses.

Part one: There are five main sections in this book:

i) Man

ii) Organon of Medicine

iii) Homoeopathy

iv) Fundamentals principles of homoeopathy

v) Aphorism - 1 to 70 with footnote.

This 1st sub section introduces the Man. Man in health and Man in disease; this subsection Evolution of Medicinal Practice by ancients including History of Medicine as well as history of Organon of Medicine; Hahnemann's Organnon of Medicine including Comparison with Aristotle and Bacon's organon, prefaces to different editions, gist of introguction with explanatory, terminologies, critical analysis of different editions, obstacle to study, ground plan, translation, table of content and short commentry on aphorisms 1 to 70, of organon of medicine; this subsection Homoeopathy with Vitalistic, Wholistic and Indivilistic conception including meaning, founder foundation, basic ideas, method and meterials, nomenclatures, varieties, discovery, development and decline, advantages, scope of limitation, history, origin, comparison along with allopathy, antipathy & isopathy, philosophy & homoeopathy, Psychology & Homoeopathy, art, Science and Homoeopathy, Holism and Homoeopathy.
