A Bird Eye View on Organon of Medicine with Logic & Psychology

## How to use the Book

The goal of this book is to enable you to understand "Organon of Medicine" with "Philosophy" "Logic" and "Psychology" and thereafter enables you to use Homoeopathic Medicines safely and effectively in your practice singly and in minimum dose. This book aims to right this error by mimicking the method that a Hahnemannian Homoeopath uses.

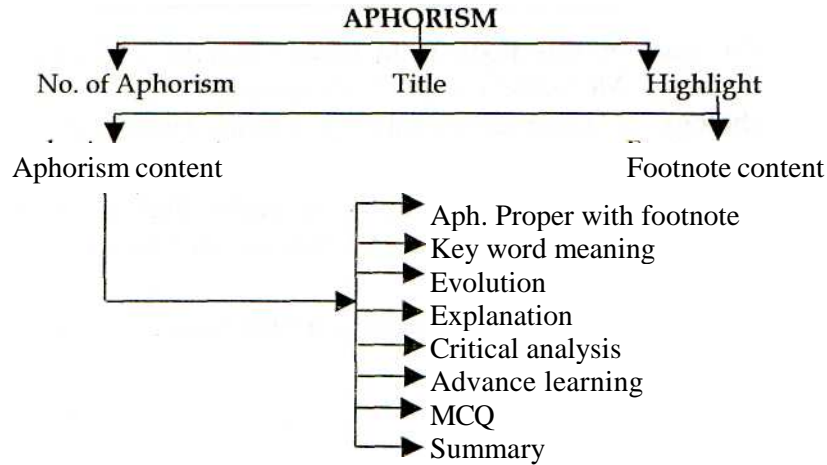

Part one: There are five main sections in this book:

- i) Man
- ii) Organon of Medicine
- iii) Homoeopathy
- iv) Fundamentals principles of homoeopathy
- v) Aphorism - 1 to 70 with footnote.

This 1st sub section introduces the Man. Man in health and Man in disease; this subsection Evolution of Medicinal Practice by ancients including History of Medicine as well as history of Organon of Medicine; Hahnemann's Organon of Medicine including Comparison with Aristotle and Bacon's organon, prefaces to different editions, gist of introduction with explanatory, terminologies, critical analysis of different editions, obstacle to study, ground plan, translation, table of content and short commentary on aphorisms 1 to 70, of organon of medicine; this subsection Homoeopathy with Vitalistic, Wholistic and Individualistic conception including meaning, founder foundation, basic ideas, method and materials, nomenclatures, varieties, discovery, development and decline, advantages, scope of limitation, history, origin, comparison along with allopathy, antipathy & isopathy, philosophy & homoeopathy, Psychology & Homoeopathy, art, Science and Homoeopathy, Holism and Homoeopathy.

A Bird Eye View on Organon of Medicine with Logic & Psychology

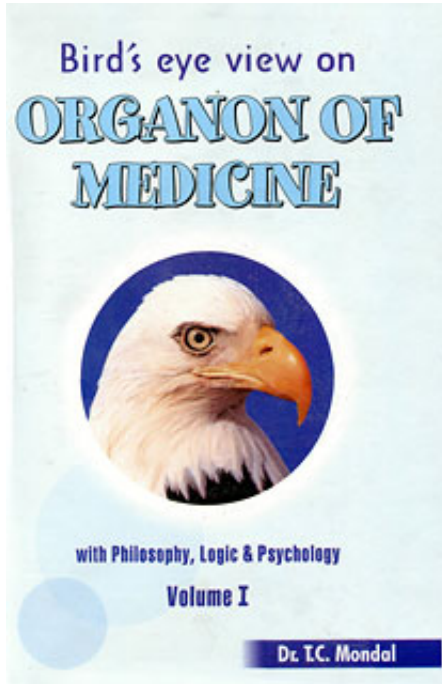

**Aphorisms 1 to 70**, including the study of - APHORISM  
(this is the main part of this book)

Footnotes are discussed in separate sections with key word meaning and discussion along with included aphorism.

This subsection also introduces **Fundamental Principles of Homoeopathy** with the meaning of **Law, Theory, Hypothesis and Doctrine**. This section also discussed about advantage and disadvantage of all seven **Fundamental Principles of Homoeopathy** according to new syllabus of CCH.

#### **A Bird Eye View on Organon of Medicine with Logic & Psychology**
