## **Publisher's Note to Seventh Edition**

B. JAIN Publishers (P) Ltd. is relentlessly working in the field of homoeopathy since a long time and trying its best to provide antique literature in the best possible user friendly form. Thus, the 7<sup>th</sup> edition of the "Lectures on Homoeopathic Philosophy" by J. T. Kent is available in the reader's hands.

Immense care has been taken while editing the book regarding the matter concerned in each lecture.

New eye-catching look has been provided to each lecture and aphorisms have been properly highlighted.

Word index at the end of the book will help the reader to catch hold of related matter or topic at a glance.

It is expected that readers will fully avail this historic literature of J.T.Kent.

In addition, without moving the original philosophy, an easy explanation to lectures is added by Dr. Harsh Nigam at the close of original literature so that readers can have thorough understanding of Master's philosophy. We appreciate Dr. Harsh Nigam for his earnest efforts.
