84. LILIUMTIGRINUM (Tiger-lily)

Adapted to many reflex states, dependent on some pathological condition of uterus and ovaries, especially unmarried women. Much hurried and driven knows not why. Fluttering sensation, less felt if she could busy herself. Sharp pain in apex of heart. Menses in two weeks. Feeling of exhaustion as if blood was pushed outward and later blinding headache. Sensation of rubber band rounds temples. Skullcap was crushing the head. Sensation as if heart was grasped. Palpitation, irregular pulse, feeling of load on chest. Pains wandering, flying, shooting, squeezing and relaxing, opening and shutting, burning and radiating "Tied up in knots" Cannot walk on uneven ground. Disposition to use obscene language. Strike and smear. Nausea, lump in center of chest. Electric current in fingers and hands. Intense restless. Nervous system irritable. Weak, trembling. Angina pectoris. Asthenopia. Dementia, Diarrhoea. Fibroma. Palpitation, hysteria. Dropsy. Pruritus valva. Spinal irritation. Urination too frequent. Constant desire to defecate owing to sense of pressure in rectum. Bearing down pain forcing the patient to cross her legs. Congestion of uterus. Displacement of uterus. Sweetish nausea, without inclination to vomit. Ill-humour, drowsiness. Sleeps with unpleasant dreams. Bloating pronounced. Crazy feeling with thoughts of suicide. Knee ache. Downward dragging from shoulder, from thorax, from left breast. Worse, consolation, warm room. Better fresh air. Dose 30th potency. Antidotes: Helon, Nux, Puls, Plat.

85. LYCOPODIUM (Club Moss)

It is useful for urinary, digestive disturbances, and deep-seated chronic diseases. Particularly suited to keen intellectuals, philosophers with weak, feeble muscular development, lean, wasted out, dropsical, and hepatic constitution. Rheumatism. Retention of urine, nephritis, epilepsy and pulmonary diseases. Sour eructations, distention. Alternate diarrhoea and constipation. Urine fetid. Premature and profuse menses. Peevish. Rush of blood to head. Falling of hair, with crusty eruptions. Deficiency of vital heat. Inflammation of eyes and lids. Red sediments in urine. Haughty disposition. Weak memory. Weak children with well-developed head but punny, sickly bodies, irritable, nervous. Lyco keynotes are very pronounced Aggravation 4-8 p.m., better at 8, gone at 9. Direction right to left. Headache better by uncovering. Sil, must wrap. Warm drinks relieve but cold food and drinks aggravate Fan-like movement of alae nasi. Nodding and side-to-side movement of head. Half open eyes during sleep. Sudden flashes of heat. Lightning pains, come and go like Bell. Sensation as if hands were in body, clutching the entrails. Restless, relieved by motion. Right foot hot, left cold. Burning pains,

relieved by heat. Dryness of parts of mucus membrane, vagina, skin, palms. Facial neuralgia. Facial appearance is pale and yellow, deeply furrowed. Constipation where purgatives abused. Dry teasing cough in emaciated boys. Warts on hand. Fear of being alone. Weeps all day over trifles. Remedy for misers. Cannot bear to lie on painful side. Sciatica. Aggravated by touch and pressure. Right inguinal hernia. Deep-seated, progressive, chronic diseases. Baby cries all day. Avarious, greedy, malicious, peevish, cross on waking, ugly, cannot endure contradiction Dread of men, of solitude. Looks old Catarrh: Dry nose, stopped at night, breathes through mouth (Amm C, Nux, Samb). Crusts and elastic plugs. Diphtheria, face brownish red. Every thing tastes sour. Canine hunger, headache if does not eat. Gastric affections: excessive accumulation of flatulence, good appetite. A few mouthfuls fill up throat. Bloated, fermentation in abdomen, loud, rumbling, croaking especially lower abdomen (Upper CV). Constipation since puberty, ineffectual urging, rectum contracts and protrudes during stool. Red sand in urine, on child's diaper (Phos). Child cries before urinating. Pain in back, relieved by urination. Impotence, from onanism or excess, penis small, cold relaxed. Old men with strong desire, but imperfect erection. Falls asleep during embrace. Pneumonia neglected or maltreated base of right lung. Cough deep, hollow, even raising mucus in large quantities. One foot hot and other cold. (Cinch, Dig, Ipec[^] Walking in sleep, feeling hungry (Cina, Psor) Rarely advisable to give Lyco, unless clearly indicated, better give anti-psoric. Lyco, is deep-seated long acting remedy, should rarely be repeated. Worse, right side, from right to left, from above downward, 4 — 8 p.m., from heat, warm room, hot air, bed. Warm application, except throat and stomach, which are better from warm drinks. Better by motion, after mid-night, from warm drinks, on getting cold, from being uncovered. Dose: 30th and above potencies Antidotes: Aco, Camph, Caust, Cham, Puls.
