TABLE OF CONTENTS.

CHAPTER I.

PAGE

| | |
|---|---|
| Introduction to Rademacher's universal and organ remedies. He accidentally discovers the remarkable curative properties of a remedy formerly used by the old arcanologists. This leads him to study their writings. | I |
|---|---|

CHAPTER II.

| | |
|---|---|
| Paracelsus and his medical doctrines. Contraria and Similia. Constitutio epidemica | 3 |
|---|---|

CHAPTER III.

| | |
|---|----|
| Universal remedies, or remedies against affections of the whole organism. | 9 |
| I. Cubic saltpetre; discovery of its remarkable curative properties. Almost a panacea for eight or nine months. Affections in which it is found useful. | 9 |
| II. Iron. Signs of martial affections. Diseases where it proved beneficial. Remedies related to iron | 11 |
| III. Copper. How used. Signs of a copper affection. Enumeration of diseases benefitted by copper. Related remedies. | 15 |

CHAPTER IV.

| | |
|--|----|
| Organ remedies. Primary or idiopathic organ diseases and sympathetic (reflex) affections | 19 |
|--|----|

A. ABDOMINAL REMEDIES.

I. Remedies acting upon the liver and spleen.

| | |
|---|----|
| Carduus marianus seed in gall stone colic and in sympathetic hemorrhages. | 21 |
|---|----|

| | |
|--|----|
| Mixture of turpentine and sulphuric ether against gall stones and indurations of the liver and spleen | 22 |
| II. <i>Special remedies for the liver.</i> | |
| Quassia as epidemic remedy and against dropsy. | 25 |
| Celandine in bilious fevers. Must be given in small doses; useful in the year 1827. | 26 |
| Combination of muriate of lime with celandine tincture found useful in hepatic diseases in 1830 and 1834. | 28 |
| Nux vomica tincture useful from 1816 to 1819 for bilious fevers and jaundice. In 1829 the water of nux vomica acted better than the tincture against the same diseases and against sympathetic coughs | 29 |
| Saffron becomes the epidemic remedy in 1836. | 30 |
| III. <i>Spleen remedies.</i> | |
| Signs of spleen affections | 31 |
| Charcoal. Periodic, nightly asthma cured with it | 32 |
| Squill a real spleen remedy. | 33 |
| Acorn water in all spleen affections, and in dropsy depending upon théri. | 34 |
| Other spleen remedies. | 35 |
| IV. <i>Pancreas remedies.</i> | |
| Iodine in epidemics in 1826 and again in 1835. | 36 |
| V. <i>Coeliac plexus remedies.</i> | |
| Bitter almonds as epidemic remedy in 1828. | 39 |
| VI. <i>Stomach remedies.</i> | |
| Bismuth, iodine, and muriate of lime, excellent remedies to stop vomiting | 40 |
| Vomiting of blood is not always a dangerous or serious symp- tom | 41 |
| VII. <i>Intestinal remedies.</i> | |
| Oil, an excellent remedy for diarrheas, colic, etc. | 41 |
| Iodine removes intestinal pain speedily. Mixture of nux vomica and asafoetida in colic | 42 |
| A good liniment for abdominal pains | 43 |

TABLE OF CONTENTS.

ix

| | |
|---|----|
| Laxatives. How to overcome constipation with injections of salt water; how to use Glauber's salt against the same disorder. | 44 |
| The evil effects of excessive acidity of the stomach and bowels. How to neutralize it. Paracelsus, tartarus. | 46 |
