CHAPTER 1

Mental Diseases

ABSENT-MINDEDNESS (See also "**FORGETFULNESS**" and "**THINKING**").

Nux Moschata. On waking up does not know what to answer and where he is. Senseless as if intoxicated.

Lac Caninum. Makes purchases and goes off without them. Goes to post a letter and comes back with the letter in his hand.

Bovista. Absent-mindedness in urticaria. Whitish or pinkish elevation with itching and burning.

Agnus Castus. After sexual excesses or masturbation. Finds it difficult to read or keep up the train of thoughts.

Aethusa. Inability to think or fix (pay) attention.

Cenchrus Contortrix. Absent-minded. Dreamy. Took a wrong car for his own.

ABUSIVENESS (See also "**ANGER**")

Anacardium. Wants to curse and swear. Loss of memory.

Hyoscyamus 200 Wants to abuse without being offended.

Lyssin 200 If first medicine does not help, try the second.
Give only one dose of each every week.

Kali Iod. Abusive. Harsh and ill-tempered with his family and children.

Lilium Tig. Can hardly speak in decent words. Will snap even when spoken to kindly. Irritable. Her friends cannot pacify her. Fanatical religious ideas, or religious melancholy. Impossible to please her.

ALCOHOLISM (See also "**DESIRE**")

Ranunculus Bulbosus. Maniac attacks of drunkards.

Coffea. Headache due to alcoholism. As if nails were driven into

animals coming at him from every corner and he tries to escape. Face bright red. Hallucination and illusion are fright and terror producing.

Conium. Intoxication after taking the smallest quantity of liquor or even wine in water.

Coca. Longing for alcoholic liquors.

Syphillimim. Craving for alcohol in any form. Hereditary tendency to alcoholism.

Alumina. Easily made drunk by even the weakest spirituous drink.

Lachesis. Ill-natured people, inclined to violent crimes, vindictive, jealous, envious, induced to kill others and not himself. Talkativeness before and during drunkenness.

Petroleum. Drunkards without energy, without strength of will, unable to refuse a glass of wine. Vomiting after the least excess in drinks. Talking much when drunk.

Ars Alb. Thirst for drinking alcohol. Is also a head remedy and should be tried first. Inclined to vomiting and still more to diarrhoea. Trembling of limbs in drunkards.

China Off. To remove the craving for alcohol in drunkards who wish to reform. Give ten to thirty drops a dose twice daily.

Note. Give all the above medicines in dilutions not lower than 200 (except where otherwise stated) every week till the habit of drinking or craving is completely removed.

ANGER (See also "ANNOYANCE")

Staphisagria. Excellent remedy for anger or for its bad effects.

Speechless from suppressed indignation; trembles from head to foot; loss of sleep. Cannot control himself. Least action or word annoys his feelings. Easily aroused to anger but seldom manifests it.

Chamomilla. Anger in children which may result in diarrhoea, cough or convulsions; quarrelsome children. Child wants something new every minute and refuses it when offered. Strikes the nurse in the face in order to get something. Loses temper on trifles. Give in IM or CM dilution, one dose every week.

mother tincture of the same remedy to be applied externally morning and evening.

Radium Brom 200. To be given once a week along with the above remedy, *viz.* Thuja. On that day Thuja should not be given.

Phosphorus. Try this remedy if the above remedies fail.

Vaccinium. This should be used as an intercurrent, remedy once a fortnight in 200 dilution. No other medicine to be given that day.

NECROSIS

Silicea. When the healing is retarded. Give in high dilution 200 or 1000 and repeat after long intervals.

Calcarea Phos. 1 These are important remedies to be
Calcarea Fluor. J given in alternation to cure or check
 necrosis of bones.

Euphorbium. Necrosis of the jawbone. Swelling and suppuration of sub-maxillary gland.

Phosphorus. Necrosis of lower jaw.

Kali Iod. When due to syphilis or abuse of mercury.

Cocculus. Assist" expulsion after fracture of head or femur.

Acid Fluor. Promotes expulsion of necrotic tissues.

NEURALGIA-FACIAL. (See also "NEURALGIA" under "NERVOUS SYSTEM".)

Magnesia Carb. Facial neuralgia occurring for three to four days after a week or so. It has shooting pains. Neuralgia of the left side of the face; during night driving him out of bed; better by keeping in constant motion and worse by stopping motion.

Colocynthis. Pains brought on by excitement or vexation which come in waves and are better from heat, from pressure and are worse during rest. Left sided neuralgia. Distortion of face during pain. Pain in the cheek bones,

Ruta G. Warts with sore pains; flat; smooth on palms of hands.

Dulcammara. Warts on back of hands.

Staph. Figwarts, dry pedunculated, cauliflower like, after abuse of mercury.

Nit Acid. Warts, condylomata, sycotic, or syphilitic, large jagged, pedunculated, bleeding readily on washing, moist oozing; sticking pain.

Magnesia Sulph. Warts on entire face.

Sabina. Figwarts with intolerable itching and burning; excuberant granulations.

Ferrum Pic. Multiple warts. Hands covered with warts; specific for corns.

Nat. Carb. Warts on palms of hands; sore to touch.

WHITE LEG

WRINKLES

Lycopodium. Wrinkled and sickly, especially the upper part of the body. The forehead may be frowning or wrinkled. Patient is peevish and irritable; cannot endure opposition.

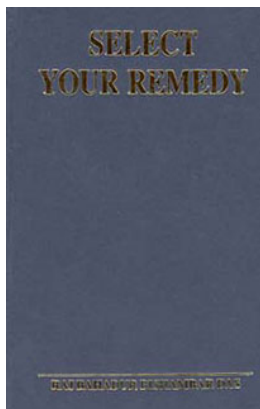

Veratrum Alb. Wrinkled skin; vomiting and watery diarrhoea; bluish face; pointed nose.

Abrotanum. When the whole body is emacrated and wrinkled. The face looks old, the infant looks like an old person. The face is wrinkled and has a sickly look. The skin is flabby and hangs loose in folds.

Aurum Mur. Wrinkles on the face due to syphilis. Body large and fat but legs too thin.

Argentum Nit. Progressive emaciation especially of lower extremities. Withered, dried up and old looking.

Sanicula. Progressive emaciation; child looks dirty, greasy and brownish; skin about neck wrinkled, hangs in folds.
