PREFACE

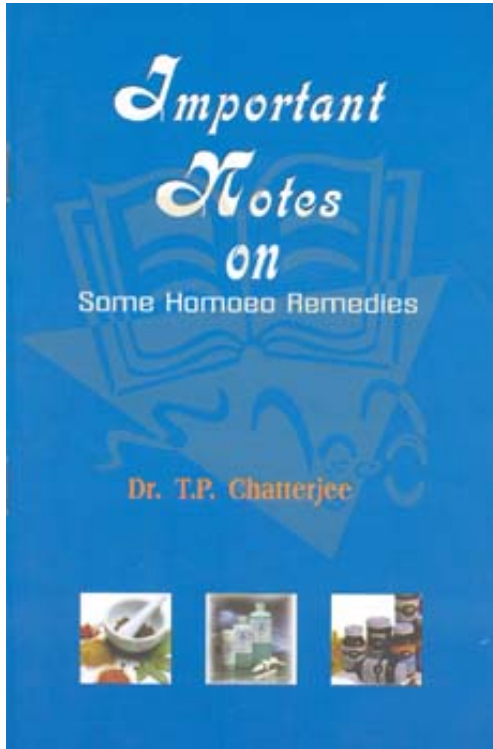

Homoeopathy Is an ocean. A few remedies collected at Its store and kept for personal use are now being published as a book-let to help prescribers in remembering some of their special features and peculiarities, before they are lost in eternity. No credit is claimed for the compilation. I shall feel satisfied, if the book-let helps in anyway to the prescribers and deem it a prized return for the labours undertaken at this old age. The contents will give the names of the remedies dealtwith. None of the existing and often-consulted medicines covers all the symptoms given.

In the preparation of the manuscript, I have been helped by Shri Aloka Mukherjee, M.A. who always ungrudgingly came forward to help me in the preparation of all my Author's copies of the books so far published by B.Jain Publishers (Pvt) Ltd, New Delhi. I am thankful to the publishers for taking interest in bringing out this book-let also.
